

# Directions to the Alpine Valley Wellness Center

There are a number of ways to access East Wenatchee. These include Sunset Hwy, Grant Road, Hwy 28, and various routes from Wenatchee. For example, if you are coming into Wenatchee from the north, you can use either Wenatchee Ave or N. Chelan Ave. If you are coming into Wenatchee from the south, you can use S. Wenatchee Ave. From either direction, continue traveling on your chosen route until you cross the George Sellar Bridge, which will put you on Hwy 28.

In general, if you are coming into East Wenatchee from the north, find your best route to the intersection of Hwy 28 and Grant Road (near Fred Meyer in East Wenatchee). Continue to go straight through the light, following Hwy 28. At the next light, take a left onto 3<sup>rd</sup> St. Follow 3<sup>rd</sup> St past Costco on your left. Take the first right after Town Toyota, which will be Elva Way.
